

I sent the usual complaint via Cloudflare and waited for a response from them.

Cloudflare received your phishing report regarding: [poshmark.srvshipcentr.shop](https://poshmark.srvshipcentr.shop/bundles/615p9328188wm9f0007i9ep0/)

Please be aware Cloudflare offers network service solutions including pass-through security services, a content distribution network (CDN) and registrar services. Due to the pass-through nature of our services, our IP addresses appear in WHOIS and DNS records for websites using Cloudflare. Cloudflare is generally not a website hosting provider, and we cannot remove material from the Internet that is hosted by others. Access to the submitted phishing URL(s) has been restricted.

After that I found more domains that were running on the same web server and were fine.

This screenshot demonstrates that hosting owner AS214196 Vladylsav Naumets before the scammer information about the complaint and asked to remove this url, again the web server has not been shut down and other targets continue to work.
